## Terms and Conditions:

- Goods once sold will not be taken back.
- The Product comes with a one-year warranty. However, the warranty does not include any external or internal damages occurring due to the user's negligence or any damages occurring through events that are classified as an act of God.
- Warranty is void in case there is any pending payment from the customer
- The Product is delivered in ready-to-use condition; hence no installation support from the company end is required.
- During the warranty period, should any issues arise with the Product, we arrange for it to be returned to our factory for repair or replacement as necessary. Please note that we do not send representatives to the customer's site for machine repairs under any circumstances.
- All disputes are subject to Ahmedabad Jurisdiction.

THANK YOU FOR CHOOSING ANANTA MACHINES
